

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the WWTP's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management, the WWTP's Board of Directors, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
