The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the Successor Agency, together with both the amount and timing of the bond debt service payments of the Successor Agency, for the period in which the oversight board anticipates the Successor Agency will have insufficient property tax revenue to pay the specified obligations.*

8. Perform the following procedures:

- A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
- i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
  - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
  - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.

(continued)*

8. Perform the following procedures: (continued)

- iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

Result:

No exceptions were noted from the procedures performed. See Attachment F for the Enforceable Obligation Payment Schedule as of December 31, 2011, with comments regarding the source of the Enforceable Obligations.

B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:

- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
- ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
  - a) Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
- iii. For the forecasted annual revenues:
  - a) Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.

Result:

For the LMIHF Fund, sufficient funds exist only to the pay the debt service and no other costs. See Attachments G and H.

- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
- i. Compare the timing and amounts to bond debt service payments to the related bond debt service schedules in the bond agreement.
  - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.

8. Perform the following procedures (continued):

iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.

Result:

For the LMIHF Fund, sufficient funds exist only to pay the debt service and no other costs. See Attachments G and H.

D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures:

i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.

ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.

iii. Include the calculation in the AUP report.

Result:

See Attachments G, H and I. The City maintains a basic projection from June 1, 2012 to June 30, 2020 in which, under current conditions, for the Low and Moderate Income Fund is projected there will be sufficient cash to pay the Low and Moderate Housing debt service. From July 1, 2020 to January 1, 2028 which is the end of the debt agreement, there is projected to be a deficiency in cash of \$597,939 based on the debt service listed in the 1998 Tax Refunding Loan Agreement.

For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation.

Result:

See Attachments G and H. AGREED-UPON PROCEDURES OF AB 1484

**Citation:**

*34179.5(c)(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the Successor Agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.*

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Result:

The schedule for all other funds will be provided with the "Other than Low Mod" report. See Attachment H for the LMIHF schedule. Also, see Attachment H for the July 1, 2013 to December 31, 2013 for a recent Recognized Obligations Schedule wherein \$180,930 is listed as an estimate of the RPTTF funding. The City based this \$180,930 as one half of the 2012/2013 Agency Value Change Summary from Hdl Coren and Cone.

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former Redevelopment Agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.

Result:

We found no exceptions as a result of the procedure performed.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertion. Accordingly, we do not express such an opinion.

This report is intended solely for the information of the Oversight Committee, Management, California State Controller's Office, Department of Finance, and Los Angeles County Auditor-Controller, and is not intended to be and should not be used by anyone other than these specified parties.

Pledge of Tax Revenues and any Parity Debt.** The Loan and all Parity Debt shall be equally secured for the benefit of the Authority and the Owners of the Bonds by a pledge of and lien on all of the Tax Revenues, without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. The Loan shall be additionally secured for the benefit of the Authority and the Owners of the Bonds by a first and exclusive pledge of and lien upon all of the moneys in the Reserve Account and the Special Fund. The Tax Revenues are hereby allocated in their entirety to the payment of the principal of and interest on the Loan and all Parity Debt. Except for the Tax Revenues, the Reserve Account and the Special Fund, no funds or properties of the Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or premium (if any) on the Loan.

Prior to the payment in full of the principal of and interest and prepayment premium (if any) on the Loan and all Parity Debt and the payment in full of all other amounts payable hereunder and under any Parity Debt Instrument, the Agency shall not have any beneficial right or interest in the moneys on deposit in the Special Fund, except only as provided in this Loan Agreement and in any Parity Debt Instrument, and such moneys shall be used and applied as set forth herein and in any Parity Debt Instrument.

**Section 3.03. Transfer of Tax Revenues to Trustee.** The Agency shall withdraw from the Special Fund and transfer to the Trustee the following amounts at the following times:

(a) Payment Amount. No later than the fifth (5th) Business Day preceding each Interest Payment Date, commencing July 1, 1999, the Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Revenue Fund an amount, after taking into account any amount then on deposit in the Revenue Fund pursuant to Section 2.05, equal to the payment amount on the Loan becoming due and payable on such Interest Payment Date pursuant to Section 2.02.

(b) Reserve Account Deposits. In the event that the Trustee shall notify the Agency pursuant to Section 2.05 that the amount on deposit in the Reserve Account is less than the Reserve Requirement, the Agency shall immediately withdraw from the Special Fund and transfer to the Trustee for deposit in the Reserve Account an amount of money necessary to

*In the opinion of McFarlin & Anderson, Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the Bonds received by the owners of the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, although for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining certain income and earnings. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. The Authority has designated the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986. See "TAX EXEMPTION" and "BANK QUALIFIED" herein.*

**\$5,060,000**

**TAFT PUBLIC FINANCING AUTHORITY  
1998 REVENUE REFUNDING BONDS  
(POLICE STATION AND REDEVELOPMENT PROJECTS)  
(Bank Qualified)**

Dated: Date of Delivery

Due: January 1, as shown on the inside front cover hereof

The Bonds will be issued as fully registered bonds in book-entry form only, initially registered in the name of Cede & Co., New York, New York, as nominee of The Depository Trust Company ("DTC"), New York, New York. Purchasers will not receive certificates representing their interest in the Bonds. Individual purchases will be in principal amounts of \$5,000 or in any integral multiples thereof. Interest on the Bonds will be payable on January 1 and July 1 of each year, commencing July 1, 1999, and principal on the Bonds will be paid by U.S. Bank Trust National Association, Los Angeles, California, as trustee (the "Trustee"), to DTC for subsequent disbursement to DTC Participants who will remit such payments to the beneficial owners of the Bonds.

The Bonds are being issued by the Taft Public Financing Authority (the "Authority") for the purpose of (i) refinancing in whole the Prior Bonds, (ii) paying the costs of issuing the Bonds, (iii) funding a Reserve Account for the Bonds, and (iv) making a loan (the "Loan") to the Taft Community Development Agency (the "Agency"), for the purpose of refunding certain loans from the City of Taft (the "City"), all as further described herein.

The Bonds are limited obligations of the Authority payable primarily from and secured by certain revenues (the "Revenues") consisting of the payments of principal and interest on the Loan (the "Loan Payments") pursuant to a Loan Agreement, dated as of November 1, 1998 (the "Loan Agreement"), among the Authority, the Trustee and the Agency, and certain Lease Payments by the City pursuant to an Amended and Restated Lease Agreement, dated as of November 1, 1998 (the "Lease Agreement") between the City and the Authority. The Loan Payments are limited obligations of the Agency payable solely from and secured by the Tax Revenues (defined herein) to be derived from the Taft Community Development Project No. 1 (the "Project Area"), and from the amounts on deposit in certain funds as described herein. The City has covenanted in the Lease Agreement to make all Lease Payments provided for therein, to include all such payments in its annual budgets, and to make the necessary annual appropriations for such rental payments. The City's obligations to make Lease Payments is subject to abatement in the event of damage to, destruction or condemnation of, or title defects relating to, the Site described herein. Pursuant to a Reimbursement Agreement, dated as of November 1, 1998, between the Agency and the City, the Agency has covenanted, to the extent Tax Revenues are available, to repay the City an amount equal to the Lease Payments, and to make the Lease Payments in the event such payments are otherwise subject to abatement. (See "SECURITY FOR THE BONDS—Additional Agency Payments" herein).

While the Authority has covenanted in the Indenture of Trust, dated as of November 1, 1998 (the "Indenture"), between the Authority and the Trustee, not to issue any additional obligations secured by the Revenues, the Agency may, if certain conditions are met, issue additional obligations with a lien on Tax Revenues on a parity basis with the lien of the Loan Payments (see "THE BONDS — Parity Debt" herein). Additionally, the City also has the right to incur other obligations payable from its general revenues without the consent of the Owners of the Bonds. The Revenues are to be received by the Authority and deposited pursuant to the Indenture, and the Tax Revenues are to be received by the Agency and deposited pursuant to the Loan Agreement.

The Bonds are subject to optional and mandatory redemption prior to maturity. See "THE BONDS -- Redemption" herein.

The following has served as Structuring Agent with respect to structuring the Bonds:

**UNION BANK OF CALIFORNIA, N.A.**

This cover page contains information for general reference only. It is not a summary of the security or terms of this issue. Investors must read the entire Official Statement, including the section entitled "RISK FACTORS," for a discussion of special factors which should be considered, in addition to the other matters set forth herein, in considering the investment quality of the Bonds. Capitalized terms used on this cover page and not otherwise defined shall have the meanings set forth herein.

**THE BONDS ARE NOT A DEBT, OBLIGATION OR LIABILITY OF THE CITY, THE AGENCY, THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS (OTHER THAN THE AUTHORITY), NOR DO THEY CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OR THE TAXING POWER OF ANY OF THE FOREGOING. NEITHER THE AUTHORITY NOR THE AGENCY HAS ANY TAXING POWER. THE BONDS DO NOT CONSTITUTE AN INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION.**

*The Bonds are offered when, as and if issued and received by the Underwriter, subject to the approval of legality by McFarlin & Anderson, Lake Forest, California, Bond Counsel. Certain legal matters will be passed upon for the Underwriter by its counsel, Nossaman, Guthner, Knox & Elliott, LLP, Irvine, California, and for the Authority by Gibson & Gibson, general counsel. It is expected that the Bonds, in book-entry form, will be available for delivery in New York, New York on or about December 1, 1998.*

**PRUDENTIAL SECURITIES INCORPORATED**

Dated: November 16, 1998

rates set forth thereon. In such event, all Bondowners would forfeit a pro rata portion of interest attributable to abated Lease Payment payable during the period of abatement and, to the extent Bonds mature or are to be subject to mandatory redemption during a period of abatement, the Bondowners would forfeit a pro rata portion of principal attributable to such abated Lease Payments. The failure to make such payments of principal and interest would not under such circumstances constitute a default under the Indenture, the Lease Agreement or the Bonds.

### **Insurance**

Pursuant to the Lease Agreement, the Site is also insured to the extent set forth herein under the heading "APPENDIX A - SUMMARY OF PRINCIPAL LEGAL DOCUMENTS -- Lease Agreement - Insurance" and insurance proceeds are required to be applied to the repair of the Site; or if the proceeds are insufficient to repair or replace the Site, the City may prepay the related Lease Payments and thereby cause the redemption of outstanding Bonds. The Lease Agreement permits the City to satisfy certain of its insurance requirements through a self-insurance program.

The City shall additionally maintain, use and occupancy or business interruption or rental income insurance against the perils of fire, lightning, vandalism, malicious mischief and such other perils ordinarily defined as "extended coverage" in an amount equal to the Reserve Requirement.

No assurance can be given that insurance proceeds will be adequate to avoid an interruption of Lease Payments. Under such a situation, an abatement of Lease Payments is likely to occur. See "Abatement" above.

### **Reserve Account**

Pursuant to the Indenture, the Trustee has established a Reserve Account for the Bonds, and deposited proceeds in an amount to equal to the Reserve Requirement. (See "ESTIMATED SOURCES AND USES OF FUNDS" herein.)

No deposit need be made in the Reserve Account so long as there shall be on deposit therein a sum equal to the Reserve Requirement. All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of paying the Loan Payments or Lease Payments, in the event of any deficiency at any time to make such payments, or for the prepayment of all remaining Loan Payments and Lease Payments.

### **Low and Moderate Income Housing Requirements**

Chapter 1337, Statutes of 1976, added Sections 33334.2 and 33334.3 to the Act, requiring redevelopment agencies to set aside in a Low and Moderate Income Housing Fund not less than 20% of all tax increment annually derived from redevelopment project areas adopted after December 31, 1976 for the purposes of improving the community's supply of low and moderate income housing. This low and moderate income housing requirement can be reduced or eliminated if the redevelopment agency finds that (i) no need exists in the community to improve or increase the supply of low and moderate income housing; or (ii) some stated percentage less than 20% of the tax increment is sufficient to meet the housing need.

Since the Redevelopment Plan were amended after December 31, 1976, the Agency is subject to this statutory requirement. However, since the proceeds of the Prior Bonds were used to satisfy the 20% set-aside requirements, the pledge of Tax Revenues to pay Loan Payments which secure the Bonds includes the 20% set-aside relating to the refunding portion of the Bonds only.

### RISK FACTORS AND LIMITATIONS ON TAX REVENUES

The following summaries do not purport to be a complete statement of all factors which may be considered as risks in evaluating the credit quality of the Bonds, and the Official Statement should be read in its entirety.

#### Tax Revenues

Tax Revenues allocated to the Agency which secure the Loan Payments and, to the extent available, the Lease Payments, are determined by the incremental assessed value of taxable property in the Project Area, the current rate or rates at which property in the Project Area is taxed, and the percentage of taxes collected in the Project Area. In Fiscal Year 1997/98, the assessed value of property within the Project Area totaled \$46,601,184, and produced tax revenue of \$306,960 (including the State In-Lieu Payments, penalties and interest). (See "SECURITY FOR THE BONDS – County Teeter Plan" above). Several types of events which are beyond the control of the Agency could occur and cause a reduction in available Tax Revenues. A reduction of taxable values of property in the Project Area caused by economic or other factors beyond the Agency's control (such as a relocation out of the Project Area by one or more major property owners, successful appeals by property owners for a reduction in a property's assessed value, a reduction in the rate of transfers of property, construction activity or other events that permit reassessment of property at lower values, or the destruction of property caused by natural or other disasters, including earthquakes) could occur, thereby causing a reduction in the Tax Revenues. This risk increases in proportion to the percent of total assessed value attributable to any single assessee in the Project Area and in relation to the concentration of property in the Project Area in terms of size or land use and the applicable tax rate. (See "PROJECT AREA DEMOGRAPHICS AND LAND USE -- General" hereunder.) Any reduction in Tax Revenues, whether for any of the foregoing or following reasons or any other reason, could have an adverse effect on the Agency's ability to meet its obligations under the Loan Agreement and the Authority's obligations under the Indenture, and the Agency's ability to pay the Loan Payments and the Authority's ability to pay principal of and interest on the Bonds.

Any reduction in the tax rate applicable to property in the Project Area, by reason of discontinuance of certain override tax levies in excess of the 1% basic levy, will reduce the related Tax Revenues available to pay the Loan Payments. Such override can be expected to decline over time until it reaches the 1% basic levy and may be discontinued at any time, which may cause a reduction in such Tax Revenues. See "PROJECT AREA DEMOGRAPHICS AND LAND USE – Tax Rates" herein for a discussion of historical tax rates within the Project Area.

#### Estimated Revenues

The Agency has based its projections of Tax Revenues on an assumed annual growth of 2% of secured assessed valuation and no growth of unsecured assessed valuation.
