Westside Waste Management has launched www.westsidewaste.com

FOR IMMEDIATE RELEASE

Taft, CA – Westside Waste Management has launched www.westsidewaste.com, a website devoted to providing information and support to Westside Waste Management Customers, which includes residential, commercial, and industrial customers residing in Western Kern County.

www.westsidewaste.com will help Western Kern County Waste Management customers find information such as trash pick-up dates, holidays, how to start trash pick-up service, pay your bill, and more!

Any questions not answered by the new website can be directed to Westside Waste Management via contact forms available at www.westsidewaste.com.
