

Garage - Yard Sale Ordinance

The City of Taft has updated the ordinance on garage and yard sales; however the maximum amount of yard or garage sales has not changed.

You may still have the following:

- A *MAXIMUM* total of 4 garage or yard sales per property per year.
- A *MAXIMUM* of 3 consecutive days per garage or yard sale.

The City asks that you submit a simple application (NO FEE) to notify the City of when you plan to have your sale.

*******REMEMBER*******

Garage and yard sales are not businesses; they are intended to sell secondhand, household or incidental personal items. Sale of new retail merchandise, food and drinks is prohibited.
