Any combination of experience and education that would be likely to provide the required knowledge, skills, and abilities could be qualifying, as determined by the City. A typical way would be:

EDUCATION AND EXPERIENCE:

Must be licensed as a Registered Nurse (R.N.) in California. Experience in a Correctional Health Care facility is beneficial. Must maintain valid CPR or ACLS certification.

A Bachelor of Science or Master's Degree in nursing is desirable

Must obtain and maintain a facility security clearance throughout the course of employment

PHYSICAL DEMANDS

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.

Work is performed in a secured health care setting inside the Taft Modified Community Correctional Facility

While performing the duties of this job, the employee is required to stand or sit; walk; use hands to handle, feel or operate objects, tools, or controls; and reach with hands and arms. Must be able to see, talk with and hear inmates and other employees. The employee is occasionally required to climb or balance; stoop, kneel, crouch, or crawl. Persons appointed to this position must be reasonably expected to have and maintain sufficient strength, agility, and endurance to perform during stressful (physical, mental, and emotional) situations encountered on the job including responding to medical emergencies without compromising their health and well-being or that of their fellow employees or inmates.
