G. Parking Lots: When parking in a parking lot, an applicant may be billed according to the current rate schedule established by the city.

2. PRODUCTION ASSISTANCE

When a company decides to film within the City of Taft, the City of Taft and/or the Taft District Chamber of Commerce will endeavor to:

- * Confirm the company's credibility through the California Film Commission.
- * Provide the company with information about accommodations and support services.

The City of Taft shall:

- * Require the company to produce a certificate of insurance naming the city as additional insured to cover liability.
- * Coordinate the issuance of required city, public works, fire and law enforcement permits. Offer police support during filming to insure that public safety concerns are addressed.

While the company is filming, every effort will be made to assure that the community is informed of the company's progress prior to, during and after actual shooting. Constant contact with businesses involved in filming will allow for accommodation of last minute changes made in the shooting schedule. The City of Taft will both encourage the community to be sensitive to production delays and ensure the company is adhering to its agreements.
