41	Appeal	\$200 base fee
<p>Many of the above listed fees are applied on an hourly basis and are structured to recover the full cost of service for each activity type. The City will apply the following hourly rates against recorded time to determine the fee amount owned by each applicant. Hourly rates from other divisions outside the Planning Division, may also apply if staff from those other departments perform work on a specific application. Additionally, the City will pass-through to the applicant any discrete costs incurred from the use of external service providers if required to process the specific application.</p> <p>For deposit based fees or fees for services that include any discrete costs incurred from the use of external service providers, the City shall issue applicant in-progress billings for costs incurred exceeding initial deposit amount collected and/ or for external service provider costs incurred. If 20% or less of deposited funds remains, City will notify applicant deposit amount required, if any.</p> <p>For services requested of City staff which have no fee listed in this Master Fee Schedule, the City Manager or the City Manager's designee shall determine the appropriate fee based on the following hourly rates for staff time involved in the service or activity:</p>		
42	Planning Staff	\$99 per hour
